

Proof of Classroom Agreement

Teachers in RISPE's SPED Teacher Certification Program must have direct access to students with special needs **or** must have an agreement with a classroom teacher or school administrator that they will spend at least 45 hours teaching students with special needs during the academic year for which they are seeking admission to our program.

To verify this agreement, please print this form and have your school administrator sign the appropriate sections below. The completed form should be completed and uploaded on Blackbaud.

I certify that the teacher whose name is printed below will spend at least 45 hours teaching students with special needs during their certification term.
